

## P & C Building Fund

### Tax deductible contribution

*“We need your assistance”*

Your contributions to our school Building Fund will assist the P&C to obtain grants or loans to provide additional school facilities.

Previously the P&C have utilised these funds to refurbish the JA Robertson Hall (which itself was built with funds donated during the 1980s) to provide a high-quality performance space, as well as an upgraded sound and audio visual system. We have also contributed to the new arts space and the new Manual Arts learning space which has expanding the work areas for the students.

Over the next few years, the P&C plans to contribute to the new science buildings, further expansion of the Tuckshop and refurbishment of the Uniform Shop. These projects not only provide better learning environments for our students but also increase our opportunities to provide services to the school community. Projects like these will not be possible without donations from our school families.

Contributions to the Building Fund are tax deductible. A donation of \$40.00 per student or \$65.00 per family would be greatly appreciated. The P & C will email you a tax receipt.

Please complete your payment details below and return this form to the school office. Payments can be made at any time of the year.

PAYMENT DETAILS																
<b>Parent/Guardian Name:</b>								<b>Phone No:</b>								
<b>Student's Name:</b>								<b>Year Level:</b>
