SUPPORT THE GAP STATE HIGH SCHOOL DONATION GIFT RECIPIENT (DGR) FUND

At The Gap State High School, we are committed to enhancing our learning and recreational facilities to provide the best possible environment for our students. Your generous contributions to our DGR Fund will directly support the installation of much-needed fans in the Sports Hall, improving conditions for all students and athletes.

HOW TO DONATE

To make a tax-deductible donation, please transfer your contribution to the following account:

The Gap SHS DGR

BSB: 064-102

Account Number: 10592587

After making your donation, kindly complete the Donation Form and submit it to us via email.

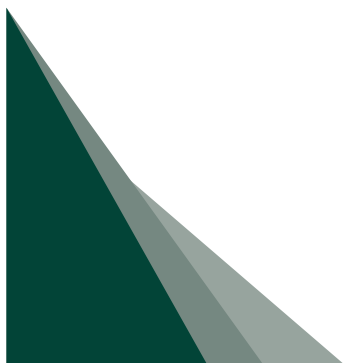

DONATION FORM

To receive a receipt for tax purposes, please provide the following details:

- Full Name
- Email Address (required for receipt)
- Phone Number (optional)
- Address (optional)

Submit your completed form to: DGR@thegapshs.qld.edu.au

Your support makes a difference! Thank you for helping us create a better learning environment for our students.

SCHOOL GROUNDS & CLASSROOMS

JI BLOCK

Opened in 2023, is a modern four-level building designed to enhance creative and academic learning. It features an open undercroft on the ground level, providing a spacious and accessible area. The next two levels house 11 classrooms dedicated to teaching, offering a dynamic educational environment. Additionally, the building includes two specialized visual arts practical learning spaces, complete with a gallery and breakout space, fostering artistic expression and collaboration. For performing arts, the JI Block boasts purpose-built drama workshops equipped with specialist lighting and a professional sound desk, creating an immersive space for theatrical productions and training.

Q BLOCK

Built in 2019, is a state-of-the-art educational facility designed to support innovative learning. Level 1 features flexible mathematics classrooms, providing adaptable spaces that cater to various teaching styles and group sizes. On Level 2, the building houses cutting-edge science laboratories alongside flexible learning spaces, fostering hands-on experimentation and collaboration. With its modern design and emphasis on adaptability, Q Block enhances the learning experience by integrating technology and interactive teaching methods across disciplines.

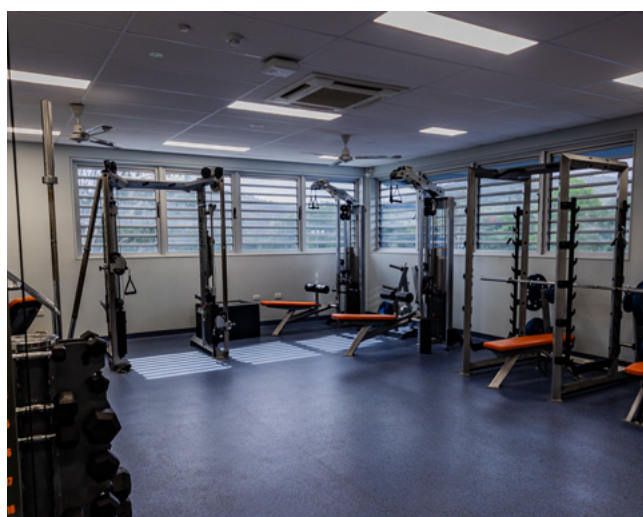

LEADERSHIP TRAINING CENTRE (LTC)

The Leadership Training Centre (LTC) is a unique facility exclusive to The Gap State High School, designed to foster leadership, teamwork, and resilience. It features 24 adventure training activities, including dynamic indoor rock-climbing walls that can be adjusted and reconfigured, bouldering walls, and high ropes courses. The centre also boasts internal and external abseiling platforms, high leaps, an internal caving system, and various activity-based vertical apparatus designed for both individual and team challenges. This state-of-the-art facility provides students with hands-on opportunities to develop confidence, problem-solving skills, and collaboration through engaging physical challenges.

SPORTS HALL

Opened in 2014, the Gap SHS boasts one of the largest indoor school sporting facilities. The sports hall features a vast court area, modern amenities, and rooms for weight training. It accommodates multiple sports, including basketball, netball, badminton, futsal, and European handball. A mezzanine viewing area allows spectators to watch events comfortably.

AUDITORIUM

The auditorium, located in N Block, serves as a dedicated space for performing arts students and teachers. With a seating capacity of 150, it provides an intimate setting for small drama performances, workshops, and classroom learning. Designed to support creative expression, the auditorium is an essential part of N Block, which also houses seven purpose-built classrooms tailored for the arts. This dynamic environment fosters artistic development, offering students the resources and spaces needed to refine their craft in drama, music, and visual arts.

J.A. ROBERTSON HALL

The J.A. Robertson Hall is the second-largest venue at The Gap, comfortably accommodating up to 650 seats. It serves as a versatile space for performances, academic evenings, and large gatherings. Located at the back of the hall are two dedicated music classrooms, providing students with a focused environment for musical education and practice. In addition to its role as a performance and learning space, the hall also features a canteen, offering a convenient dining option for students and staff. Adjacent to the building is a spacious undercover outdoor area, making it a central hub for both school events and daily activities.

TULA ART GALLERY

Designed and built as a dedicated exhibition space for The Gap SHS Visual Art Department in 2019, the inaugural exhibition showcased our local artists and was a highlight of TGSHS 60th Anniversary.

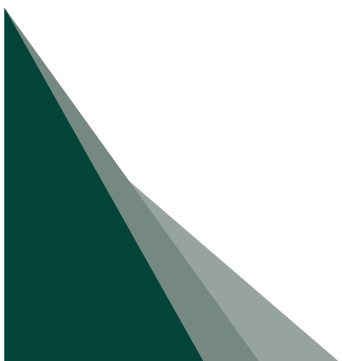

The gallery space, with high ceiling, was built adjoining the classrooms and has been an invaluable exhibition space to showcase the diverse range of artworks – 2D, 3D, time based - our students create across all year levels throughout the year.

Equipped with spot lighting, timber display walls with artwork hanging rails, this space also has available eight moveable black display screens and three AV monitors for video artwork. Kitchen facilities are available with fridge, sink and frame storage for exhibition openings.

LIBRARY

The school's library supports students and teachers with their academic, social, and wellbeing needs. Its mission is to help students as they read for pleasure, explore their world, and be inspired to create. All Year 7 students participate in the "Just Read" program, fostering a love for reading. The library also provides resources for research across various subjects, including access to databases like Gale and the State Library of Queensland. Events such as Reader's Cup and Book Week further enrich the literary experience.

BASKETBALL COURTS

The Gap SHS boasts three full-sized outdoor basketball courts, providing students with excellent facilities for training, competition, and recreational play. These courts are designed to support a range of sports, including basketball, and other fitness activities, fostering teamwork, skill development, and an active school culture.

With durable surfaces and clearly marked lines, the courts offer a professional-grade playing experience for students of all levels. Whether it's for PE classes or lunchtime games, the basketball courts are a central hub for student engagement and sporting excellence at The Gap SHS.

SCHOOL OVAL

The school oval is a vibrant outdoor space that serves as the heart of our sporting and recreational activities. It provides students with a spacious and well-maintained area for physical education, training, and competitions. Equipped with soccer nets and ample open space, the oval supports a wide range of sports, including football, rugby, athletics, and general fitness training.

In addition to structured activities, the oval is a popular space for students to unwind and enjoy outdoor recreation during break times. It plays a vital role in fostering teamwork, sportsmanship, and an active lifestyle within The Gap SHS community.
