Applications will be reviewed by the Specialist Volleyball Program panel. All decisions made by the Panel are final.

- Should students not receive an offer in the first round of testing, this does not mean they are unsuccessful, applications will be held over until the next round to be considered against other candidates.

Excellence in Volleyball FAQs

- Applications will not be considered unless complete enrolment application, with all supporting documentation, is submitted and enrolment interview completed.

- Volleyball experience is not a requirement for entry into the Specialist Volleyball Program. Suitable applicants should be physically capable and driven to master physical tasks. Our experienced teaching and coaching staff will then nurture and develop athletes Volleyball knowledge and ability.

- The Gap State High School has an Enrolment Management Plan. A limited number of places are available for students who live outside the catchment and, in the first instance, these places are reserved for students who qualify and are offered a place in Excellence Programs.

- Out of catchment enrolments applying for Volleyball must first submit an Application for Enrolment to be considered for wait listing, prior to progressing through the Volleyball Selection Process.

- Students applying for all programs (Honours, Volleyball and AMPed), must indicate this on their application. Students are not able to participate in multiple programs concurrently.

- Students must maintain a high standard of effort and behaviour in accordance with The Gap SHS Privileges Policy to retain their place in the program.

- Students who are unsuccessful in their application for the Specialist Volleyball Program are encouraged to be involved in the coaching sessions that occur outside of school hours at The Gap State High School.

- Should students wish to withdraw from the program and their enrolment is conditional on participation in this program, the Principal may cancel the student’s enrolment.
