

P & C Building Fund Tax deductible contribution

“We need your assistance”

Your contributions to our school Building Fund assist the P&C enhance school facilities and expand learning opportunities.

In 2021 the P&C provided a \$147,000 boost to the basketball court redevelopment. These funds allowed additional grant funding to be secured and will see the space become multipurpose sport courts and outdoor classrooms in 2022.

2022 will also see redevelopment of the existing Tuckshop space in support of our school’s focus on wellbeing and new initiatives around health and nutrition.

However, projects like these are not possible without the support of our school community. Many of the facilities we enjoy today are the result of previous building fund donations and with your support this will continue well into the future. Contributions to the Building Fund are **tax deductible**.

A donation of \$50.00 per student or \$85.00 per family would be greatly appreciated. The P&C will email you a tax receipt. Please complete your payment details below and return this form to the school office. Payments can be made at any time of the year.
